“Good Lookin's disposition and ability sets the standard for every horse I ride.”

Good Lookin Gray 045's pedigree is full of super stars that have been and produced World Champions in Cutting, Halter, Reining and even AAA runners. While Good Lookin's performance career was cut short due to an injury, his colts are quickly becoming all-around, “go-to” horses for cow horse events, roping, cutting, halter, team penning, ranching, or pleasure horses. Breed your mare to **Good Lookin Gray 045** and soon you will be setting new standards!
